

Product Safety Recall

Do you own this product?

T3 Timer

Kitchen timer

Includes functionality for three independent timers in a single unit.

T3 Timer printed on the front of the device.

Dates sold: 22 June 2022 – 27 March 2023

Why the product is recalled: The product does not comply with [the mandatory safety standard for products containing button/coin batteries](#). The button/coin batteries are not adequately secured and are accessible to young children.

Hazard: There is a risk of choking, severe internal burn injuries or death to young children if they gain access to the button/coin batteries and swallow or place them inside their body. Severe or fatal injuries can happen in 2 hours or less.

1. Consumers should stop using affected products immediately and store them out of reach of children.
