

Product Safety Recall

Yetimo Marketing QLD LED Light Up Maroons Beanie (1 Button Battery)

Promotional give-away item at the State of Origin Game 1 at QLD Country Bank Stadium Townsville on Wednesday 9 June 2021.

Only Beanies labelled 'Supplied by www.Yetimo.com' are affected by this recall.

Defect: The battery compartment attached to the Beanies is not adequately secured and the button battery in the product may be easily accessible. The product contains 1 button battery.

Hazard: If young children gain access to the button battery and ingest it, they may suffer internal burn injuries, which can result in serious illness and even death. In addition, the batteries may pose a choking hazard to young children.

What to do: Immediately stop using the Beanie and ensure it is kept out of reach of children.

Consumers can make arrangements to return the battery casing and battery by visiting <https://yetimo.com/index.php/qld-led-beanie-recall> to register contact information. Yetimo will then supply a reply-paid envelope to facilitate the return of the battery casing and battery.

Contact Details: For further information, contact Yetimo Marketing by emailing recall@yetimo.com
