Defect: The products do not comply with the [mandatory safety standard for products containing button/coin batteries](#). The battery compartment is not adequately secured so one button battery in the products may be easily accessible.

Hazard: If young children gain access to button batteries and ingest them, they are likely to suffer severe internal burn injuries, which can result in serious injury or death. Button batteries also pose a choking hazard to young children.

What to do: Consumers should immediately stop using the product and store it in a safe place out of reach of children. Consumers should return the product to the place of purchase for a full refund.

Contact Details: For further information, please contact Oceana International Pty Ltd by phone on 02 9604 1211 (8.30am - 5.30pm, Monday to Friday), by email at sales@oceanainternational.com.au or visit <https://www.oceanainternational.com.au/contact-us>
