December 16, 2014.

Dear Customer,

Further to our Recall Letter for the Built branded 900mm Fence Post Driver (190-27-45990) dated 28/11/2014, we request that you display the enclosed Product Recall Notice in a prominent position, preferably near your Registers or near your display of similar products.

If you have not removed this product from sale as yet, would you please do so immediately.

We also request that if you happen to know the contact details of any of your customers who purchased the product, that you speak to them and ask them to return the product for credit.

All product dumped by you should be placed in an industrial bin where it is not likely to be taken and used.

We thank you for your assistance in this matter and if you have any queries please contact our office on 07 3906 2999.

Yours faithfully,

Electaserv Trading
Tony Clark
Managing Director
